Building 800 has been closed for the past nine year/unoccupied. The building was being used for storage of excess school furniture, old computers, and materials. The building has been invested by mice and bats over the past 9 years. The district was attempting to clean the building when it was advised by the SFB that we stop the project because of the concern for the district employee's health. The District has requested a proposal for the clean-up from Dominion Environmental Company. The proposal included the cost for clean-up, restoration, and environmental oversight for building 800. Dominion provide an Eestimate of \$156,964.54. The District is requesting this funding to restore the building for future occpancy and gain access to the building to retrieve furniture and other supplies. The Proposal include a detail project scope of work and the cost.
